

FIT Rx Appointment Policy

Every effort is made to keep on schedule, so I respectfully ask clients to be prompt and keep their appointments.

The standard office policy regarding appointments is as follows:

Fit Rx {Debbie Ivie} reserves the right to charge for office visits cancelled or broken without 24 hours advance notice. If your appointment is on Monday, please try to give 72 hours notice.

The broken appointment charge will be ½ the billable time for missed appointments.

Thank you for your cooperation.
